Sheikh Muhammad Saad Nomani Madani

www.saadnomani.com

Sheikh Saad Nomani adalah seorang Hafiz Qur'an yang berkediaman di Madina dan beliau adalah keturunan ke -26 dari Imam Abu Hanifah RA. Dengan mukjizat Allah s.w.t ,beliau mempunyai kemampuan untuk menirukan 85 suara imam di Mekkah dan Madina Al Munawarah,yang mana ini adalah sesuatu yang langka pada zaman modern ini.

Insyallah dengan izin Allah beliau bersedia untuk datang ke Medan pada bulan April 2010 dan beliau akan memberikan ceramah dan menunjukkan keahliannya menirukan bacaan Al-Qur'an dan juga akan mengunjungi beberapa Madrasah atau pesantren yang ada di daerah kota Medan.

Untuk itu, kami memohon keikhlasan hati bapak/ibu/saudara/saudari untuk memberikan dukungan agar acara kedatangan beliau terlaksana dengan sukses. Dan ini merupakan salah satu cara kita menda'wa kan agama kita dan menghidupkan ayat-ayat Al-Qur'an di masyarakat islam.
